5 President announced about TI exam results and "Who killed the compressors" seminar turnout.
6 President handed over the session to Educational Chairman
7 Educational chairman introduced Guest speaker "Kevin McLanahan".
8 Kevin has in depth knowledge of 28 years experience out of which 12 years is with Emerson. Kevin's enlightening speech on "Digital scroll compressor" outlined the working principle, various unloading mechanisms and ease of its adoption to new refrigerants. He also narrated about the new trends in AC field and horizontal scroll compressors. His speech was supplemented by the hand-outs on Copeland bulletin and demand cooling diagnostics. Thanks to Permacold for last-minute photocopying.
9 Thanks to Rob Fraley, Sgt-at-Arms for greeting all the attendees and conducting sweepstake. He announced this month Sweepstake Winner was Ray Carlyle
10 President winded up the session with a request for feedback and suggestion for new educational seminar topics

Meeting adjourned at 8:30 PM
