### **This program is for compliance of the Oregon State Brazing Certification Program.**

The class will provide a review of information and terminology found in the ORACCA brazing certification manual, viewing a video on brazing, a 40 question written closed book test, and practical brazing lab. In order to obtain certification, applicants must pass the written exam with 80% or better score, in addition to successful completion of the practical lab-brazing test (total cumulative voids on all joint of less than 25%). The tests are graded and certification is issued by ORACCA upon successful completion

The cost for the certification class is: **\$195 for RSES members**, and **\$275.00 for non-members**. This cost covers the study guide, classroom instruction, written and practical testing, and certification card. Retests are \$55.00 (You must have taken the original test through RSES).

**If you do not inform us 24 hours in advance or fail to show up for you class, you will be charged a Transfer fee of \$25.00 to cover the Administrative cost to re-schedule you to the next class.** If unable to attend when notified, Please Call **503-703-3361** (Cell) and we will waive the added charge. Payment can be made by check or cash. When paying by check, make it payable to Multnomah Chapter Seminar Committee and mail it with a completed registration form to:

**Multnomah Chapter of RSES  
1130 Josephine St.  
Oregon City, OR. 97045-3810**

Space is limited to 16 participants, per class on a first come first served basis. So register early. Once we receive your registration form and payment, you will be sent an ORACCA Study guide and letter informing you of the date, time and location of the class. As well as a list of equipment you will need to bring for the practical test. Once you have received the study guide. It is highly recommend that you read it thoroughly before the test date.
